LEADERSHIP

Hello Alumni, I am Daniel Dryden (Fall '21 Katz). I am studying International Studies: Global Relations and Business Admin: Supply Chain. This was my last semester at NC State, and in the summer of 2026 I will be starting at Lowe's Hardware as a Supply Chain Specialist. It was an honor to be of service to the brotherhood one last time as President of the Chapter before graduating. Among many other things this semester, we have prepared our delegation to the National Convention in Philadelphia. Additionally, we celebrated our 100th anniversary as an organization and 75th as a chapter with an anniversary weekend that featured a banquet, tailgate, and service event!

FRIENDSHIP

We recently had our Fall Semi in which brothers got to celebrate the end of the semester together. This event is always amazing to get brothers together to have fun and get to know the NIBBLES in a social setting. It was a good final hoorah before the end of the semester in which brothers could dance out their stress.

SERVICE

This semester APO brothers volunteered at Carolina Tiger Rescue. This beloved service event gives brothers the opportunity to see these majestic creatures up close. Volunteers are vital in Carolina Tiger Rescue's mission to rescue and protect animals. APO continues to serve the community in unique and innovative ways!

CURRENT BROTHER STORY

"My favorite moments in APO have been getting to know people one-on-one during scouting events, interviews, and retreat. Everyone is so unique yet there's always something we have in common!"

*Lex was awarded "Best Pledge" at our Fall 2025 formal meeting.
Congratulations Lex!*
