

Thank You, Sponsors!

714 Seaboard
Station Dr B225,
Raleigh, NC 27604

APO NCSU is a coed national service fraternity with over 100 active members. Our main goal is to provide service around Wake County & beyond to help others in the community. We also develop our leadership skills & foster lifelong friendships. Our three cardinal principles are leadership, friendship & service.

Thank You!

On behalf of Alpha Phi Omega Iota Lambda chapter, we thank you for attending the 75th anniversary weekend. Without your continued dedication & support APO at NC State would not be what it is today. We are excited to welcome you back to Raleigh this weekend & celebrate with you!

We thank our advisor Richard Stickney for his years of service to APO Iota Lambda. None of this would be possible without his commitment & care for each member. Whether it's brother's meetings, service projects, or fellowship events, he is always showing up for members. We could not imagine APO without him!
